

INTENSIVE COURSE FOR HIGH SECURITY MANAGEMENT

Israel, October 21st - 28th, 2012

ABOUT THE COURSE

In a global world where security has no borders and worldwide risks and threats are always present, the need to update and expand skills for coping with new challenges are becoming more obvious.

This course intends to expose, in seven intensive days, the concepts and the Israeli perception of security. It is essentially practical and in constant process of adaptation to reality. The adaptation of the legal requirements will be given special attention.

During the course, issues of leadership and command will be discussed. Concepts of planning, programming and action of the director of security in routine and emergency situations will be elaborated upon.

ABOUT PSOS

PSOS, Professional School of Security, was founded in 1987 and was the first private institution for security training in Israel.

PSOS specializes in planning, organization and development of continuing training programs for professionals, in the public and private security fields.

Our main mission is to provide advanced, continuous and specialized training in security, knowing that - **The human factor is the key to success.**

PSOS instructors and lecturers come from various institutions such as: Police, Army, Intelligence, and Security Forces of the State of Israel. They bring a multidisciplinary broad knowledge and a unique experience in confronting and solving different problems, threats and crisis.
